

## All Electric New Home Incentive Program

TVA and TVEC are working together to provide you, a new home owner, one more reason to build an all electric home. Electricity will provide you with an odorless, quiet, safe and very efficient source of energy for your home. You will also receive an up front incentives to go "All Electric"!

### **New Homes All Electric / Provisions:**

- TVEC will be the electric service provider
- Heat Pump sized to heat and cool entire home (**installed to TVA standards**)
- 15 SEER, 12 EER & 8.2 HSPF Rating or greater on Packaged Heat Pump
- 15 SEER, 12.5 EER & 8.5 HSPF Rating or greater on Split Heat Pump
- Unit must be installed to TVA standards
- Electric Dryer
- Electric Water Heater
- R-38 Attic Insulation
- R-13 Wall Insulation
- Plastic Ground Cover

### **Permissible Alternative Appliances**

- Gas Logs
- Gas cook top on stove (electric oven)
- Wood heater (cannot be primary heat source)

*(This will allow you to have an alternate heat source for emergencies.)*

### **New Home Incentive (Primary Residence) All Electric**

\$300.00 Cash

### **To Participate**

- Complete an Agreement to Participate Form
- Complete the provisions above
- Provide a convenient time for inspection
